

The FOI Unit is hosting their annual Sunshine Week from 29<sup>th</sup> September to 4<sup>th</sup> October, 2008. During this week, we aim to raise public awareness about the FOI Law and its IMPORTANCE! This year Sunshine Week is very important because we have less than four (4) months before the FOI Law comes into full force. We have many exciting events planned and are hoping you can join us for some, if not all, of the events. Kindly consider this an open invitation to all of the events listed below and please forward this email on to all your friends, families and colleagues; we would love to see all of them all at our events. Please post this message on all bulletin boards and in all staff rooms and forward to all your contacts because these are public events and as such, we are inviting everyone!
